For Immediate Release SPRINGFIELD, MO

Dr. Tamera J. Karr of Idleyld Park, OR has been awarded Fellow status in the American Association of Integrative Medicine (AAIM). Fellow status is AAIM's highest honor and is reserved for those individuals whose knowledge, skill, education, training, and experience in their health care specialty exceed the stringent requirements of the other levels of membership of AAIM. Members attaining Fellow status are committed to ongoing education in their field and maintaining high professional standards of behavior.

AAIM is an international membership association developed to bring together health care professionals from a variety of health care specialties. Membership is comprised of integrative, alternative, holistic, complementary and traditional health care professionals. This forum allows members to share information in an effort to increase both public and professional knowledge and acceptance of integrative medicine, thereby, benefiting the patient as well as the practitioner.

For membership information, please visit the AAIM website at **www.aaimedicine.com** or contact AAIM Headquarters toll free at **(877) 718-3053**.
